MARYLAND'S 30th ANNUAL REPRODUCTIVE HEALTH UPDATE: Healthcare in a Changing Environment

With emerging changes in health care reform, staff within the Maryland Department of Health and Mental Hygiene, County Health Departments, Title X agencies and other Reproductive Health organizations will need to enhance their skills and knowledge in order to continue to provide quality health services to their client population. This year's conference will focus on the Affordable Care Act, and how health centers can develop a sustainable business model. Presentations and breakout session, which will focus on job specific topics, and will be provided by national, regional and local experts.

Breakout sessions will include:

- Costing of services
- Billing & Coding
- Developing a sustainable business model
- LARC methods of contraception
- Improving medical services for males
- Human Trafficking and Mandated Reporting
- Enhancing clinic efficiency
- Quality Assurance: Developing a quality system ... and more
